## **Major Heroin and Cocaine Dealer Arrested**

During the evening hours of Monday, November 14, 2016, the Dodge County Drug Task Force arrested Lachesha A. P. Lightfoot (AKA "LA"), age 27 of Beaver Dam, following a traffic stop within the city of Beaver Dam. Lightfoot was arrested for Manufacturing/Delivery of Heroin - PTAC, Manufacturing/Delivery of Cocaine - PTAC and Delivery of a Counterfeit Narcotic Drug - PTAC.

Lightfoot is known to have operated her drug distribution ring from several locations throughout the city of Beaver Dam including Lakecrest Drive, Rosendale Street and the Shoe Factory Apartments on N. Spring St. The numerous sales of these drugs took place in common public locations throughout Beaver Dam. Lightfoot had several associates working for her in her drug distribution business and we will be working to bring them to justice as well.

This arrest is a major break in supply of these dangerous and deadly drugs to our community. While there is no doubt that we still have a great deal of work ahead of us, we are confident that we have removed a major player from our streets. The Dodge County Drug Task Force will continue to work hard to identify and remove dealers of these poisons.

Sheriff Dale Schmidt would like to thank the Dodge County Multi-Jurisdictional Drug Task Force, Beaver Dam Police Department, Juneau Police Department, Waupun Police Department, the Dodge County District Attorney's Office and other drug task force law enforcement agencies that assisted in this case.

As a reminder, if you have information that can help us in our efforts, please contact the Dodge County Sheriff's Office or your local police department.
